

School Photos

Tuesday 16th May is photo day! The children will have their individual photos taken and also family groups.

If your child's usual PE day is a Tuesday, they are to come to school in full school uniform and bring PE kits with them - please don't send them to school in PE kits.

SATS

We cannot tell you how proud we are of our Year 6 children. They have been truly **AMAZING!!!!!!**

It has been a tough week but they have faced it with resilience and a positive attitude. Please tell your children how fabulous they are this weekend- I'm sure you will anyway but they need it more than ever after this week!

I also want to say a big thank you to the staff- they have worked their socks off to support your children and to ensure that they were fully prepared! If you get chance please let them know too!

Pupil achievements!

We would like to congratulate Jemima in Year 2 who was picked as one of the winners in a competition she entered at the Glass Cone for the King's coronation!

Her design has been made and displayed at the Glass Cone which is a fantastic achievement and something to be very proud of.

Well done Jemima!

Young Writers' Poetry Competition

A few months back, some of our children wrote poems to be entered into a competition. 238 entries were sent off and 220 of these were selected to be published in a Poetry Book. This book has finally been published, some of you will have seen this fantastic book as some parents had ordered copies which were sent into school and given out to corresponding children last week, I hope you enjoyed reading the poems as much as I did! I have attached some of my favorites for you to read.

As a school, we have also received 7 free copies as promised (one free copy per every 30 entries we sent in), therefore we have enough copies for one per year group to share with our children and give them all the opportunity to see their published poem next to their name and school.

Each child who had their poem published, has received a bookmark and a special certificate. They have also had time in class this week to enjoy the poems together and celebrate their writing success!

Only 4 schools were included in the book, and we make up the majority of it! This is such a great achievement for the children at Brook, it is definitely something for them to be extremely proud of!

Thank you to all that were involved and a HUGE well done to our fantastic writers!

Environmental Behaviour

View our side,
Your eyes shall remain wide
In astonishment,
For you yourself being so arrogant.

Nature has never ever deceived
But only received,
With care, love and attention,
You will stop the next great depression.

Air is drawing to a hold,
Nights are becoming unbearably cold,
The wind looks on in despair,
As plants have started to scream and swear.

You killed them, there's no going back,
You killed them, you made them see black.
You are a murderer, you can't deny that,
Next time think before you attack.

Stop Pollution And Save Animals

People ride around in cars,
Alarms are set off and smoke comes from the chimney.

Stop the smoke and turn down the heater,
Then neither will die.

Lots of animals die because of pollution.
Let's stop it!

Us, we see them and we really want to keep them
So let's do it!

Tigers and all of the desert animals are starving
And pollution is killing them.

One day 200 animals die and do not stay.

No animals should die.

We should apply healing stuff,
Not just to leave them in pain.

We're Just Like You

The rainforest is our home
Stop cutting it down
We need it to live
So don't make us frown!

We spread our love around it
It's our home for good
But if you cut it down
We will be gone for good.

The trees have gone missing
And so has my home
The river's stopped flowing
Baboons have gone missing
Parrots have stopped singing
And snakes have stopped slithering.

Please stop, this is my home
Don't leave me all alone
My home will soon become unknown
And nature will turn to stone!

The Cat

A kennings poem

Fence faller
Claw user
Whisker loser
Rat grabber
Furniture scratcher
Floor layer
Air yawner
Moving runner
Food enjoyer
Rain hater
People starer.

Our School Garden

G reen grass growing everywhere.
A nimals are everywhere living in holes.
R eeds are growing in the pond.
D eep down in the water there are frogs.
E nter carefully over the bridge on the water
N ature is all around us.

This Thursday 18th May is Census Day

Our menu is

Chicken nuggets & chips

Cheese and tomato pizza & chips

Jacket potato

Followed by ice cream

Please remember to book on ParentPay

School Census day is incredibly important as it informs the local authority of our free school meal numbers which decides how much funding the school receives.

The more meals that are taken on this day, the more funding we can secure for the school which can then be spent on education and resources provided to our pupils here at Brook.
