Reception Newsletter

This week

In English we have been learning the story of The Very Hungry Caterpillar. We have recorded captions about the caterpillar within the story and discussed the life cycle of a caterpillar.

At home you could:

- Go on a bug hunt and make a list of the minibeast you find
- Draw a picture of a minibeast and write a caption about the picture

In maths we have been looking at doubling. We have learnt a new rhyme (attached on a separate feed)

At home you could:

- Share and chant the rhyme together
- Create a butterfly painting eg: double 3 spots
- Roll a dice and double the amount

Welcome Back to our Summer Term. Our topic this half term is Living and Growing. Please find the knowledge organiser in the classwork folder on the Google classroom

Parent's Evening

Thank you for joining us on Teams for our virtual parent's evening. If we did not manage to speak with you, we will be contacting you in the next few weeks to discuss your child's progress.

CHICKS

We have had a wonderful week, watching our new visitors hatch from their eggs. The children have thoroughly enjoyed watching the process and handling them. Please see the photographs and videos shared on the google classroom feed.

Reminder

Sharing books need to be in school on Fridays. They will be collected in and given out again on Monday.

Reading books need to be in school everyday so staff can hear children read.

REHOMING CHICKS

If you are interested in adopting any of our hatchlings, please contact one of the Reception team members who will be more than happy to help.

School Kitchen Competition

Can you think of a name?

Design a poster/flyer with the new name, encouraging other children to try the meals.

Posters should be colourful, bold, bright and eye-catching.

Closing date: Friday 30th April

Please see the information on the feed about our school kitchen competition.
