

## Design your own football kit!

With the excitement of the **World Cup** approaching, we are setting our pupils a creative challenge that we're sure they will love!

They are invited into a competition that combines creativity and school pride. Design a football kit for your school, and... the winning design will be turned into a real kit!

Runners up could also receive PUMA football packs for the school!

The design of the football kit must reflect:

*Our school's identity / Our values & ethos / Our colours & branding*

Your child will be bringing the entry form home this weekend. All entries need to be with Mrs Downton by **Thursday 21st May**.

We would like to wish our Year 6 pupils the best of luck as they sit their SATs exams next week!

They have worked really hard this year and especially over the past few weeks as they make their final preparations.

Good luck!

Some of you may have noticed some changes to the Reception outdoor area. We were delighted to have the new canopy fitted and have been working hard to make positive changes. Outdoor learning plays a vital role in Reception, supporting children's physical development, confidence, and independence while giving them opportunities to explore, investigate and learn through play. Having a carefully developed outdoor space allows the children to access learning beyond the classroom, helping them to develop social skills, creativity and a love of being active outdoors throughout the day.

## EARLY YEARS outdoor

We would like to say a special thank you to David and his family for making these fantastic resources for our mud kitchen! We are so excited to put them to good use!

Did you know that we have our own book hotel in our front office?

It is full of great reads that we would love to share with you... please visit the front office and help yourself to a book to enjoy!

Please help and share!

On Friday 19th June, Year 6 will be having their careers workshop 9-11.15am.

We are looking for professionals who have a career and are willing to give a few hours of their time to talk to our Year 6 children at school about their work.

It will be a set carousel activity where you would be sat at a table and children will move around in small groups to ask you some prepared questions about your job, qualifications training etc.

If you can help, or know anybody that could help, please get in touch!

## Free breakfast clubs

The Government is in the process of rolling out free breakfast clubs for all primary school children across the country. These clubs will be fully funded by the government, meaning that there will be no charge to families.

We are delighted to inform you that we have been accepted as an 'Early Adopter School' and that our breakfast club will be running from the start of the autumn term in September 2026. The club will last for half an hour and will take place in the school hall from 8:15 am-8:45 am. Staff will then escort the children to their classes for registration. To ensure that our club runs smoothly, we are kindly requesting your views and responses by filling in the form below. This will help give us a idea of staffing, numbers and the type of provision that we are looking to offer.
