

Arbor Parent Account and Parent App

We are excited to make you aware of a change that will be coming next week for all of our parents and carers of the school.

We have already started using Arbor as our main pupil management system, which has been very successful!

On Monday you will be receiving an email with instructions on how to download and register on the Arbor Parent App, please check your junk for this email.

Arbor will eventually replace the SchoolLife App for messages, emails and to book parents evening so it is really important that you sign up and download the app by **Friday 27th February**. You can find the Arbor Parent App on Google Play and The Apple Store.

We aim to stop using SchoolLife by **Friday 27 February 2026**

Brook Primary School will be using Arbor Parent App for the following:

- Overview of your child's attendance.
- Overview of your child's personal information including medical and dietary requirement.
 - To update the school if any details around your child's medical and/or dietary requirements have changed.
 - To update you contact details
 - Parents' Evening bookings (Guardians' Consultations).
 - To view your child's class trips information.
 - To view your child's club information.

In the future, we will also be using it for booking before and after school club (Buddies), school meals and payments, and more. We will keep you updated!

Football

A big well done to the football team who played their first football match of the year. They played against Dingle Primary after school yesterday. Although the weather wasn't on our side the boys played extremely well together, having most of the possession! There was controlled footwork, lots of movement into spaces using the whole pitch and we scored some fabulous goals with the final score being **Brook 9 and Dingle 0**. Man of the Match was awarded top Max. Well Done to all the team, you represented Brook very well.

Cards for Amelia

Thank you to everyone who has written a birthday card for Amelia! The school council have collected a huge **332** cards! These will all be dropped off next week ready to be given to Amelia!

Lost Property

Our lost property box is overflowing with jumpers, coats, water bottles and more! If your child has lost anything recently, please take a moment to check the lost property box outside the Year 2 classrooms on the playground!

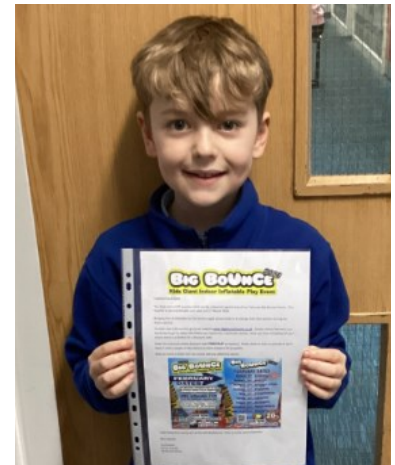

Any unclaimed items will be cleared over half term.

Big Bounce!

All children who had 100% attendance and no lates since September 2025 were put into a draw to win a Big Bounce pass to use this half term.

Well done to Jaxon in Year 3 who was the lucky winner!

A Gentle Reminder : Talk About stranger safety

As children grow more independent, it's important to keep the conversation about stranger safety going. "Stranger danger" doesn't have to be scary—it's about helping children understand how to stay safe, trust their instincts, and know when to ask for help.

Take a few minutes to talk with your child about safe choices, like staying with trusted adults, not sharing personal information, and what to do if they ever feel uncomfortable. Remind them that they can always say "no," leave a situation, and tell a trusted adult if something doesn't feel right.

These small, ongoing conversations can make a big difference. Thank you for working with us to help keep our children safe, confident, and informed.

Ahead of 'Wear it Red' day next week, all children have the exciting opportunity to enter our colouring competition with prizes up for grabs! All entries to be submitted by Wednesday 11th February for the lucky winners to be announced.
