Mrs. Waterworth

I have absolutely loved teaching all of you! We've had such a fun and memorable year in Pre-school, filled with laughter, learning and lots of special moments! It has been a joy to watch you grow in confidence, build friendships, develop independence and resilience while exploring through play, curiosity and discovery! As the year comes to a close, I wish all our children the very best of luck as they move to reception - I know you'll continue to shine and make us proud. To those who will be leaving us for a new school, we will miss you and hope you take with you the happy memories of your time with us. Have an enjoyable summer—relax, spend time with loved ones and make those moments count!

Parents and carers, thank you for making this happen with your continued support!

Mrs. Jolliffe-Jones

We have had an amazing year! We have loved watching your child grow and develop into reception ready children. We would like to wish all our children a summer of fun and memories that will last forever. We know children returning to us will have another year of fun activities and learning. The children starting in Reception will thrive and enjoy their new environment and I wish all the children embarking on a new adventure in another school all of the luck and happiness.

We will miss each one of you!

Mrs Gillespie

What a brilliant year we have had in Butterflies! It has been so much fun helping our children grow and learn. As we wave bye to the children going off to reception, either at Brook or to a new school we wish them lots of luck for their next adventure. We will miss them all. To those children coming back to Butterflies in September, we are very excited to have another year of fun and learning, but before all that we wish all the children and their families an amazing summer!

Mrs Gillespie.

Miss. Whittaker

The children in Butterflies have been absolutely wonderful in welcoming me as a new member of staff. Their kindness, curiosity and enthusiasm has made settling in a truly joyful experience. Each child has shown such warmth and eagerness to include me in their day-to-day activities., it has been a pleasure watching their confidence and independence grow. With their positive attitudes and readiness to learn, I have no doubt they will thrive as they take the exciting next step into reception. They are a truly special group and I feel lucky to have shared this time with them and look forward to see those who are returning for another year in Butterflies to grow and reach their potential.
