Capture children's attention

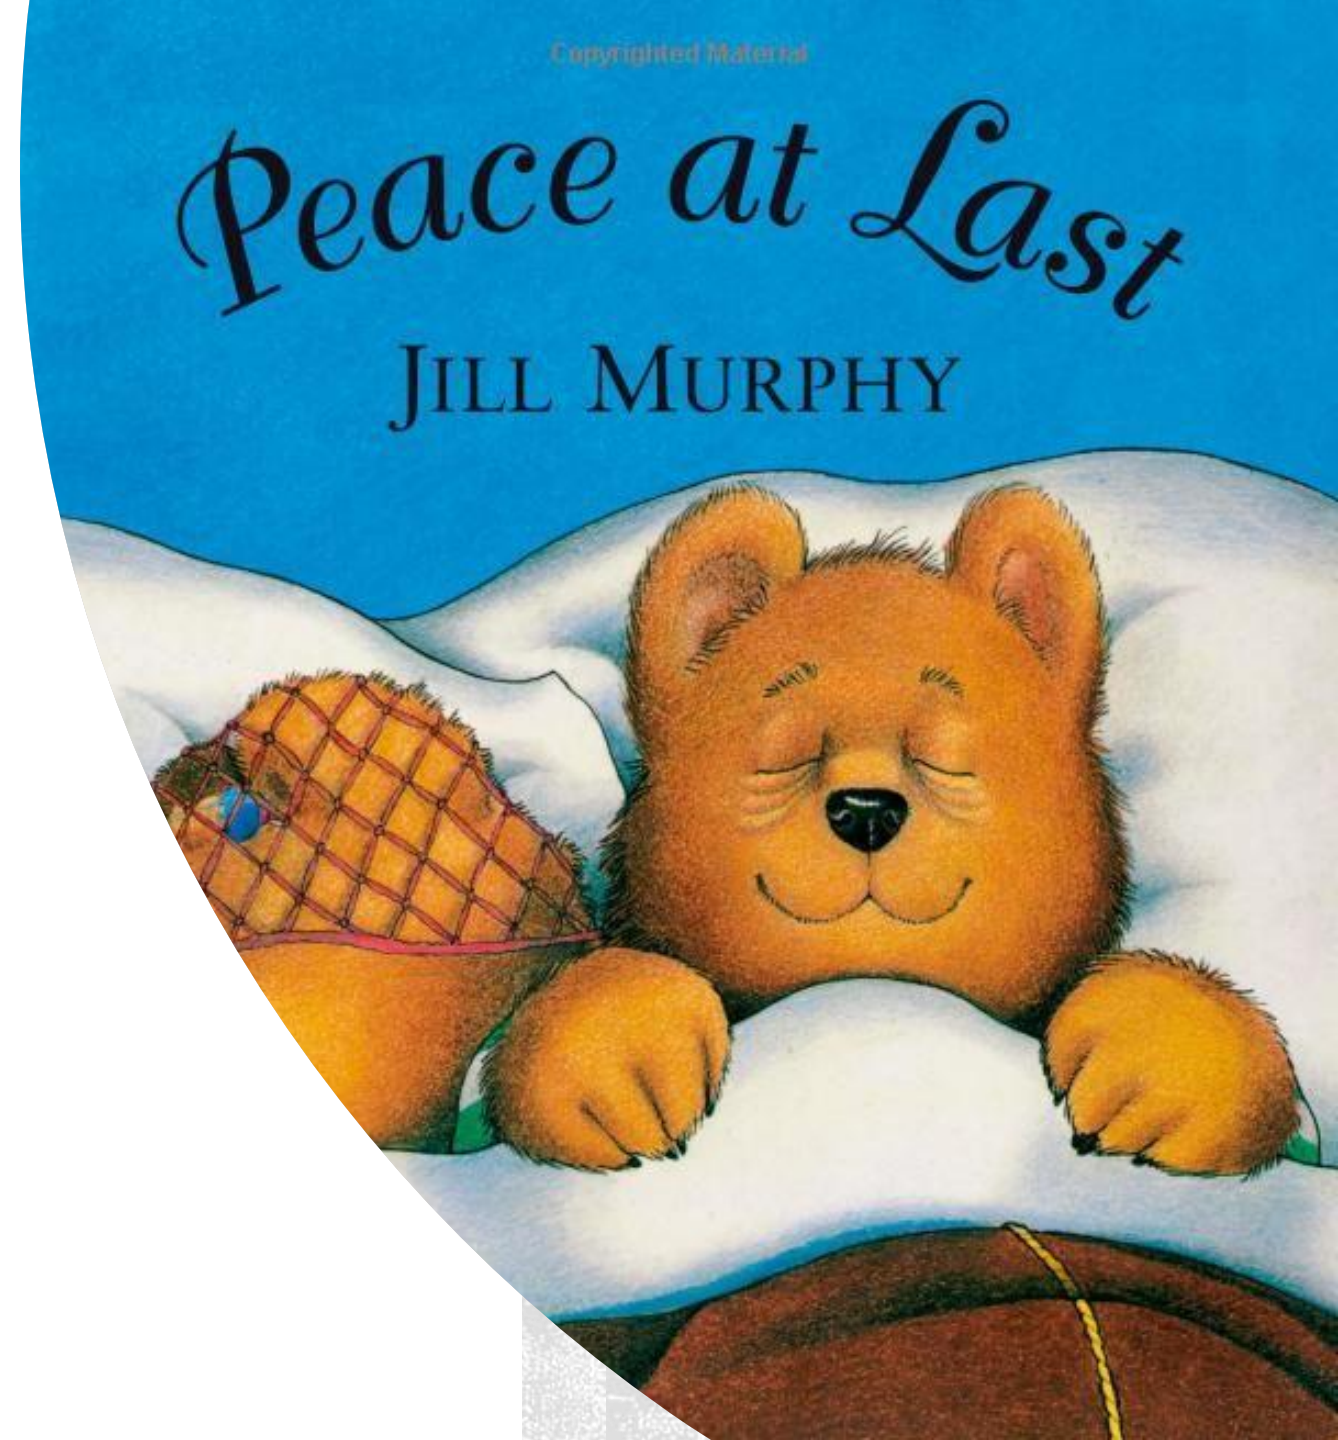

The background of the slide is a dark teal color. In the foreground, there is a stack of several books with their pages fanned out. A semi-transparent, light-colored banner with a subtle grid pattern is centered over the books. The banner contains the text 'THE LOVE OF READING' in a bold, black, sans-serif font. In the bottom right corner, there is a small, circular red icon with a white border.

THE LOVE OF READING

REPETITION

- I'm going to read a story about
- First read (no questions, no explanations)
- Second read – voices, actions
- Read a story session

TAKE READING EVERYWHERE

Talk about the book's cover and point out the title.

Let your child hold the book and turn the pages.

Encourage them to talk about the pictures.

Use different voices for different characters. Add in sound effects like splashing in puddles, beeping car horns or animal sounds.

When the story is finished, you could ask them if they liked it and if they had a favourite character.

Make a den together, like a cloth over a table, with space for both of you to share. You can make your den part of the story – it could be a monster's cave, a rocket ship, or a princess' tower.

Talk to your child about what you did as a child. Involve the whole family – grandparents may have stories to share from when they were growing up!
