

### Introducing Brook Village: A World of Discovery

You may have noticed some exciting work taking place at school recently - we're delighted to announce that our brand-new Brook Village is now complete!

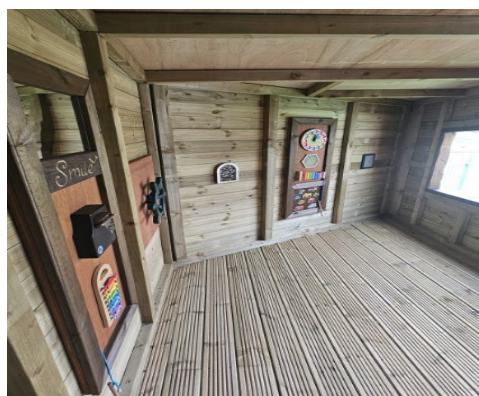

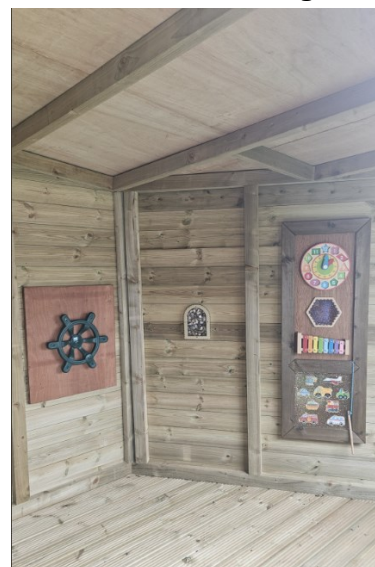

This special new village has been designed to spark imagination, curiosity, and play for all our Early Years children.

As part of our exciting new Brook Village, we're introducing each of the cottages one by one so you can see how they're helping our children learn and play.

The very first cottage we'd love you to discover is the Sensory Cottage. The Sensory Cottage has been carefully designed to provide a calm, welcoming space where our children can explore through play, imagination, and discovery. It offers a variety of sensory experiences to support sensory development, while also giving children a quiet and cosy place to relax when they need it.

The children are already enjoying exploring it, and we look forward to seeing the many ways it will enhance their learning journey.

This is just the beginning - join us next week as we introduce the next cottage in our brand-new Brook Village.

## Meetings for Mrs Fellows, Mr Allen & Miss Nicklin

We value working in partnership with parents and carers to support our pupils. If you have any concerns and the class teacher or year group lead cannot help and you would like to meet with Mrs Fellows, Head Teacher, Mr Allen, Deputy Head Teacher or Miss Nicklin, Assistant Head teacher regarding your concerns, we kindly ask that you make an appointment in advance.

Please **do not** just drop in without booking an appointment, as our staff may be teaching, in meetings, or otherwise unavailable.

To arrange a suitable time, contact the school office, who will be happy to assist you in booking an appointment. By making an appointment, we can make sure the right amount of time is set aside to chat with you properly.

Thank you so much for your understanding and support.

Help us make our coffee morning a success in aid of Macmillan! Whether you get your bake on or donate some cakes we will greatly appreciate anything at all! Obviously we also need you to come along!

**Friday 3rd October in the school hall, access via the hall near the Year 2 entrance**

## Pupil Achievements

Well done to Wilbur in Year 3 for being a superstar at football and being awarded Supporters player of the match!

We have a bookcase in our front office with a variety of books for our parents and carers to take to read.

Please feel free to pop in and choose a book to read at home.

## Lost Property

One of our parents have unfortunately lost their gold bracelet during the school drop off. If you happen to find anything, please could you hand it into the front office so that we can get it back to its owner.
