We had 2 harvest assemblies this week and emails were sent out asking parents to confirm their attendance by completing a form with a few details.

Multiple parents had not completed the forms and either called the office on the morning or just turned up.

It is really important that you complete the forms we send out as it helps us prepare and set up for the numbers we are expecting.

If you told us you hadn't received the email, please come to the front office so we can have a look at your Arbor account. All communications are sent out via Arbor so it is essential you have access to it.

There will be some events that will require tickets and you will not be able to add on late.

Check out the new Raring2go Autumn online magazine! It's full of ideas for days out & things to do over Autumn & winter:
