

Year One
Spring Term 2020
Home Learning
The Magic Toymaker

Regular Weekly Tasks:

READING - each week graded reading books will be changed. Please try to listen to your child read every day if possible. A free choice book may also be changed each week.

SPELLINGS - a list of spellings will be given out each Friday, to be tested the following Friday.

MATHS - through the year some number bond and times tables facts will be sent home to learn.

Topic Home Learning:

w.b - 17.01.20 - Create your own sock puppet. Can be a character from a story or a movie.

w.b - 03.02.20 - Have a conversation with your adults about what different toys they played with when they were children.

w.b - 24.02.20 - Using a range of materials create a model of the *Glass Cone*.

w.b - 11.03.19 - Draw and label a map of your route to school.

w.b - 09.04.20 - Go on a nature walk and write or draw what your 5 senses experienced. 5 senses; sight, sound, smell, touch and taste.

w.b - 23.04.20 - Present the Easter story in an interesting way. *Get creative!*
