

# Reception Remote Learning

If your child is to self-isolate, we have created a list of useful websites and suggested activities that could be completed whilst at home. As you are aware, the majority of our learning is through play, so making it fun is important. Have fun and enjoy your time together.

# Letter formation – the rhymes we teach the children to form their letters correctly

## Letter Formation Rhymes

Maisey mountain mountain	Around the apple, down the leaf	Slither down the snake	Round his bottom, up his tall neck and down to his feet	Down the tower, across the tower	Down the body, dot for the head	Down Nobby and over his net	Down the plait and over the pirate's face	Round her face, down her hair and give her a curl
--------------------------	---------------------------------	------------------------	---	----------------------------------	---------------------------------	-----------------------------	---	---

All around the orange	Curl around the caterpillar	Down the kangaroos body, tail and leg	Down and under, up to the top and draw a puddle	Down the laces, to heel, round the toe	Down the stem and draw the leaves	Lift off the top and scoop out the egg	Down the long leg	Down the head, to the hooves and over his back
-----------------------	-----------------------------	---------------------------------------	---	--	-----------------------------------	--	-------------------	--

Down his back, then curl over his arm	Down the body, curl and dot	Down a wing, up a wing	Down a horn, up a horn and under his head	Down up, down up	Zig-zag-zig	Round her head, up past her earrings and down her hair	Down the arm and leg, repeat the other side
---------------------------------------	-----------------------------	------------------------	---	------------------	-------------	--	---

Numbers are everywhere! Encourage your child to recognise number whenever you are out and about – on front of buses, house numbers, counting objects in the house – how many chairs are there?

Every child loves playdough! Perhaps you could work together to make some of your own!

### Simple play dough recipe:

#### Ingredients:

- 8 tbsp plain flour
- 2 tbsp table salt
- 60ml warm water
- food colouring
- 1 tbsp vegetable oil

#### Method:

1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.
2. Pour the coloured water into the flour mix and bring together with a spoon.
3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form a smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring.
4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh.
