

Reception Remote Learning

w/c 16th November 2020

If your child is to self-isolate, we have created a list of useful websites and suggested activities that could be completed whilst at home. As you are aware, the majority of our learning is through play, so making it fun is important. Have fun and enjoy your time together.

Ask questions about bears. What would you like to find out? (<i>Ideas: Why</i> do bear sleep during winter? What do bears look like? Where do bears live? What do bears eat?) • Talk about the story by asking questions. What happened at the end of the story? How did the girl feel when Bitsy fell out of her pocket? Why? • On your autumn hunt gather together a bag of items and encourage children to ask questions. Why do the leaves fall off the trees? Why do they change colour? What is a conker? • Letter formation • Recognition of sounds 	<p>Measure</p> <ul style="list-style-type: none"> • Can each of your family members build a tower using blocks or Lego. Identify who's is the tallest/shortest. • Who is the tallest in your family? Who is the shortest? Can you put your family members in to order of size (smallest to tallest) • On your autumn walk collect twigs/sticks – can you find which is the smallest and which is the tallest stick/twig? • Using one stick find something in your house that is longer, shorter and the same length as your stick • Using blocks/Lego/Duplo pieces can you create towers for the longest stick and shortest stick? How many cubes/blocks was the shortest stick? 	<p>Autumn</p> <ul style="list-style-type: none"> • Go on an autumn hunt - what can you find on a local walk or in your garden that tells you it is autumn? • Collect leaves and make a leaf rubbing? • Draw and label hibernating animals • Can you turn the leaves you collected into a number line? With a marker pen (write a digit on each leaf), then thread them onto string to create your own number line (make sure they digits are in the correct order) • Follow the veins of a leaf with a sharp pencil (make sure the leaf is under the paper) • Make a nocturnal animal leaf collage (owl, hedgehog) • Create a home for an hibernating animal • Using play dough make a model hibernating animal or Bitsy Bear

Letter formation – the rhymes we teach the children to form their letters correctly

Numbers are everywhere! Encourage your child to recognise number whenever you are out and about – on front of buses, house numbers, counting objects in the house – how many chairs are there?

Every child loves plaudough! Perhaps you could work together to make some of your own!

Simple play dough recipe:

Ingredients:

- 8 tbsp plain flour
- 2 tbsp table salt
- 60ml warm water
- food colouring
- 1 tbsp vegetable oil

Method:

1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.
2. Pour the coloured water into the flour mix and bring together with a spoon.
3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form a smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring.
4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh.

High frequency words

High frequency words are common words, **words that appear very often in written texts**. They are a mixture of **decodable words** (words that can be sounded out) and **tricky/exception words** (words in which the English spelling code works in an unusual or uncommon way, which means the words have to be learned and recognised by sight).

It is really important that children learn how to read these words as they will make up a large proportion of the words they will be reading in everyday texts. They also need to learn to spell these words as they will find they will need to use them a great deal in their writing.

Nursery Rhymes:

Five Little Leaves

**This can be sung to the tune of 5 little ducks...*

Five little leaves so bright and gay
Were dancing about on a tree one day.
The wind came blowing through the town
Whoooooooooooo... Whoooooooooooo
And one little leaf came tumbling down.

Four little leaves so bright and gay...
(and then repeat and continue down to no little leaves)

I'm a Little Hedgehog

**Sing to the tune of 'I'm a Little Teapot'*

I'm a little hedgehog,
Brown and small.
Very prickly,
Not that tall.
When I'm feeling frightened,
Away I crawl,
And curl up,
into a ball!

I'm a little hedgehog,
Build my nest,
When it's autumn,
Leaves are the best.
If you build bonfire,
Have you guessed?
Check inside,
I might be having a rest!
