Phonics

At Brook we are proud to follow the Ruth Miskin - Read, Write Inc model for phonics.

It teaches the children the sounds in English, the letters that represent them and how to form the letters when writing.

The children's reading books will be based on the letters they have learnt at each level and a small set of separately taught tricky words.

The children will have phonics every day and will be taught in learnt letter groups.

In the summer term, children in Year 1 will have an informal phonics screening test which will test their ability to decode words using their phonics skills

Welcome to Year 1

Safeguarding

Safeguarding is everyone's responsibility.

School is required to take action if they feel that a child may not be safe. This can sometimes be upsetting but school has a 'duty of care' to keep your child / children safe.

In England, the Department for Education (DfE), provides key guidance for schools and colleges in "Keeping Children Safe In Education". This document updates yearly. Guidance for schools is also set out in "Working Together To Safeguard Children (DfE, 2023) and the safeguarding duty of schools and colleges is set out in section 175 of the Education Act 2002.

You may hear your child talking about "**PANTS**". This is the NSPCC simple acronym devised to teach children the underwear rule: **P**rivates are private, **A**lways remember your body belongs to you, **N**o means no, **T**alk about secrets that upset you and **S**peak up - someone can help.

Welcome to Year 1

We can't wait to hear all about your adventures during the summer break when we see you in class.

Keep safe and we look forward to seeing you in September.

Have a wonderful summer holiday!
