

— WELCOME —
BACK TO SCHOOL

We are already in the last term of the school year! How quick has this gone! This term is full of enrichment experiences in the curriculum as well as Sports Day and Brookfest! You will also receive your child's school report in July to share with you the main achievements of your child from this year.

As we head into this final term, we remain focused on helping every child finish the year with confidence, pride and a love of learning. There are many exciting opportunities ahead that will allow children to showcase their skills, work collaboratively and celebrate their successes.

Thank you, as always, for your continued support. We look forward to sharing these special moments with you and making the most of a memorable end to the academic year together.

Heads Up!

We are planning to change over from Parent Pay to Arbor to book lunches, clubs and Buddies after May half term. Any existing money and bookings already loaded will be transferred over and we will keep you updated over the next few weeks.

Congratulations

Miss Ford got married over the Easter holidays and is now Mrs Mason!
We wish you all the luck and love and in your marriage!
