

Mixed team

A big well done to our mixed team, they played their first league game very well despite the score. Their heads didn't drop, they battled well, and we saw some good passing between them. 5-1 to Brockmoor. Let's wish Brook the best of luck for Tuesday's game against Fairhaven!

Girls football team

Last week our girl's football team went to the Dell Stadium to compete after winning a place in the football final tournament. Despite the weather they all did fantastically well with some great football being displayed. All of the results and final standings are attached below for Brook (Round 1 and round 2). Congratulations girl's for being WINNER's of the second places - very well deserved!

Parent's evening

A big thank you to all those
parents who came into

this week. It was wonderful
to see so many of you here
at school.

We hope you enjoyed
finding out about your
children's achievements.

If you were unable to make
an appointment, please give
the school office a call as
we are keen to arrange
meetings with those
parents
who missed
out.

Year 2 Black Country Museum trip!

Earlier this week our Year 2 children visited the Black Country Museum where they learned all about the Victorian times! They learned about the houses, jobs, schools, transport, cinemas and the shops! The children had a great time! They were a credit to our school and the guide commented on how amazing they were!

Easter holiday sports camps!

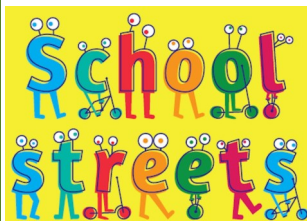

We are very happy with the huge response we've had to the Easter holidays sports camp already! If you have already sent a booking form back to school you would now have been added to Parent Pay—this is what secures your place.

There are still spaces available for each day so if you would like your child to come along then please send the booking form back as soon as possible.

We cannot stress enough how important it is to contact the school office to update us if any of your contact details have changed. This includes any of your telephone numbers and email addresses - we have had a few incidents where we have not been able to contact anybody as we have not been informed of changes.

School Life

It is essential that you have the School Life app installed and your notifications turned on. This is our way of instant communication and how you receive messages and book things like Parents evening. Without this, you could potentially miss out on important messages or communications. If you think you have an issue or aren't receiving messages, please contact the school office.

Unfortunately, the school streets assembly that was due to take place last Friday was cancelled due to the snow. However, the assembly has now been rescheduled to next Friday 24th March. The assembly will be regarding the work that we will be doing with the council and police to tackle parking issues around school.
