## Pupil achievements!

Well done to Rose in Year 4 who has received her certificates from the Little Princess Trust, recognising her incredible achievement of donating her hair and raising over £700!

Well done to Ettie from Reception for achieving her Level 1

Well done to Evalyn from year 2 for being achieving her Stanley 3 swimming award!

## Year 4 & 5

### Flamenco workshops

Today, our year 3 and 4 children have had a fantastic time in their Flamenco workshops. They got the opportunity to learn an authentic Flamenco routine and then completed other activities including researching a Spanish speaking country, creating a fact file about that country and making and decorating a fan.

## Attendance Celebration Disco

As part of our wider school strategy to promote and celebrate good attendance, we are introducing a number of attendance recognition events throughout the year, including our upcoming Attendance Celebration Disco. Regular attendance is vital in supporting children's learning, achievement and wellbeing, and these events are designed to recognise those pupils who have met the school's attendance expectation of 95% or above.

We recognise that not every child will be eligible for every attendance celebration, particularly as absences early in the academic year can have a significant impact on attendance percentages. Children who are not attending the disco will take part in a range of enjoyable and engaging activities in their classrooms with familiar staff. It is important to stress that this is not intended as a punishment or sanction. We recognise that there are a variety of reasons why children may not meet the attendance threshold during a particular period, including circumstances beyond their control. Rather, the disco is one of several opportunities to celebrate pupils who have achieved the attendance expectation during that time.

This is a new initiative, and we will continue to review its impact throughout the year. We are committed to ensuring that attendance rewards remain positive, inclusive and supportive whilst reinforcing the importance of regular school attendance. We look forward to celebrating the many children who have already achieved our attendance expectations and hope to see even more pupils recognised at future attendance events planned throughout the year.

Thank you for coming to Parents' Evening. We were truly overwhelmed by the support from our families, and it was lovely to see so many of you there.

**IMPORTANT REMINDER**

Just a reminder that children in Years 1 and 2 need to wait outside the Early Years playground until a member of staff opens the gate each morning.

Please don't allow children to enter the gated area or play on the equipment before this time. We appreciate and thank you for your support.

**BLACK COUNTRY

LOVE . CONNECT . INVEST

We know that times are difficult for many families right now, but if you are in a position to be able to contribute, any donation would be greatly appreciated, no matter how big or small.

With over 400 children in our school, if each child were able to bring in just one item, we could make a significant difference and provide a fantastic range of donations.

We have only received a few donations so far, and every contribution makes a difference.  
Thank you so much to the families who have already made a donation.

The school Council will be taking the donations to the Black Country Food Bank on **Monday morning**, so donations will need to be in by then.

Thank you for your continued support and generosity.

Frank Chapman

Outdoor  
Education Centre

Our pupils had a fantastic week at Frank Chapman, where they demonstrated outstanding resilience and independence throughout their stay.

They embraced every challenge with enthusiasm and determination, taking part in a wide range of exciting activities including archery, high ropes, challenge course, bushcraft, mountain biking, geocaching, abseiling and tree climbing.

It was wonderful to see the children stepping out of their comfort zones, supporting one another and developing their confidence in such a positive environment.

It was a real pleasure to spend the week with the pupils, and we are incredibly proud of all they achieved.

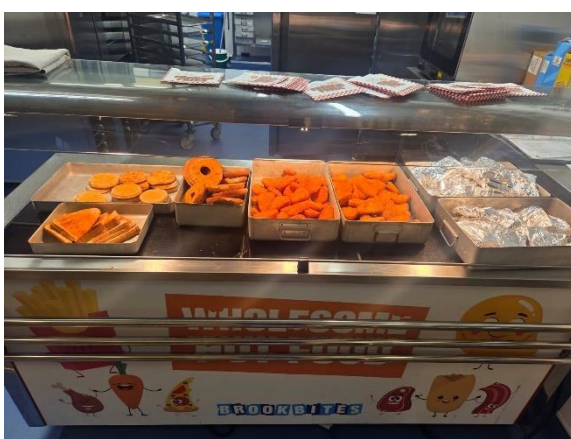

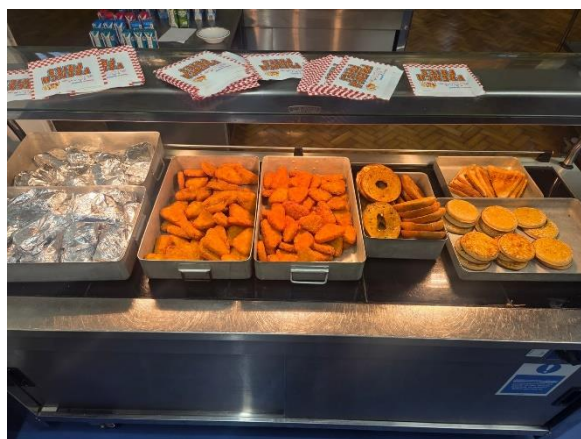

# BROOKBITES

Take a look at what our Key Stage 2 Tuck Shop Friday's have to offer!

Children are really enjoying coming to the counter to choose and purchase their snacks and drinks from a wide variety of fresh choice.

Every week there are hash browns, bagels, toast, crumpets and we alternate between sausage and bacon sandwiches each week. They then also have the choice of a variety of drinks.
